The Feathered Hat kit includes one main colour for the body of the hat and two smaller contrast skeins. Use either one of the contrast colours for the brim and the other to construct the pompom.

## PATTERN

With the smaller circular needle and your choice of contrast colour for the brim, cast on 72 (84, 96, 108) sts and join in the round (being careful not to twist). If desired, place a stitch marker to indicate the end of round. Work in **k1, p1** ribbing for 1 (1.25, 1.5, 1.75)".

Switch to your main colour and larger circular needle and knit once around. Work the main body of the hat according to **Chart A** or using the following written instructions:

**Round 1: [yo, k3, sl2, k1, p2sso, k3, yo, p3] around**

**Round 2: [k1 tbl, k7, k1 tbl, p3] around**

**CHART A**

Repeat until the hat measures approximately 4.5 (5.5, 6.5, 7.5)" from the cast on edge (ending after completing a Round 2). Switch to DPNs and complete the crown decreases as follows:

**Round 1: [k3, sl2, k1, p2sso, k3, p3] around**

**Round 2: [k7, p3] around**

**Round 3: [yo, k2, sl2, k1, p2sso, k2, yo, p1, p2tog] around**

**Round 4: [k1 tbl, k5, k1 tbl, p2] around**

**Round 5: [k2, sl2, k1, p2sso, k2, p2] around**

**Round 6: [k5, p2] around**

**Round 7: [k1, sl2, k1, p2sso, k1, p2] around**

**Round 8: [k3, p2] around**

**Round 9: [sl2, k1, p2sso, p2] around**

**Round 10: [k1, p2tog] around**

On the final round, remove the stitch marker. You should be left with 12 (14, 16, 18) sts on your needles. Cut the working yarn, leaving a 6" tail. Use your darning needle to draw the tail through the remaining stitches and pull snugly to close the top of the hat. Weave in your ends and gently wet block.

Using a pompom maker (or your preferred method) and your second contrast colour, construct a 2-3" pompom and fasten it securely to the top of your hat.
